Ara is a Business Division of Te Pūkenga - New Zealand Institute of Skills and Technology.

### Programme Handbook

This handbook is heavy on detail and sometimes quite formal. There will be things you want to know and other things you will only refer to when something comes up.

Here are some quick highlights of what is in the following pages:

- The detail and the rules about the qualification you have enrolled in
- Ara expectations about how you will behave and what your rights are
- How Ara checks that you are a genuine student (like your attendance)
- A quick access guide to getting support
- How assessments work and the grades that are used
- The assessment regulations that could support you to pass and what forms to use (extensions, resits and more)
- Getting your results and going to graduation
- Key academic policies
- Health and safety information related to your study
- any afterhours access arrangements

**Ask your tutor or faculty administrator if you need help to find the information you are looking for, or email [nzbs@ara.ac.nz](mailto:nzbs@ara.ac.nz) .**

### Learner Information Handbook – for all learners

We recommend that you read your Programme Handbook in conjunction with the [Learner Information Handbook](#) (also available on MyAra) which has more detailed information about support and services available to learners at Ara.

## Attendance

Experience has shown that if you attend regularly and participate in the class activities and assessments you are more likely to succeed. Full attendance and commitment are encouraged. You are expected to be punctual and must comply with the various behaviour and safety requirements of classrooms, workshops and labs.

For an International learner satisfactory progress is defined as 100% attendance and successful completion of 75% or more of your courses.

**Let Ara know when you are absent from classes or if you are sick. Contact your tutor or advise the faculty administrator using [nzbs@ara.ac.nz](mailto:nzbs@ara.ac.nz) .**

## Non-Engagement

Ara has processes to deal with learners who formally enrol here but do not “engage” with their studies. That is, if you do not attend and/or participate and/or submit assignments and/or sit assessments or only attend briefly or spasmodically and/or do not engage significantly.

**Our Faculty process follows these steps if you are a no-show at the start of teaching:**

- |          |   |
|----------|---|
| <b>1</b> | We will attempt to contact you 3 times and if we are not successful we will withdraw you (1) within 3 days if there is a waitlist of other learners who want to enrol, or (2) within 10% of the length of your enrolment (often 1–2 weeks if your course runs for a whole semester) |
| <b>2</b> | You will receive an email, text or phone call asking why you have not been attending  |
| <b>3</b> | There will be no academic or financial penalty from Ara but you could be overpaid by StudyLink  |

## **Our Faculty process follows these steps for disengaged learners:**

- |          |  |
|----------|--|
| <b>1</b> | Registers are checked and if your engagement and attendance is a concern, we will talk with you                                |
| <b>2</b> | You will receive an email or phone call asking why you have not been attending. You may receive a non-engagement letter        |
| <b>3</b> | We will attempt to contact you three times   |
| <b>4</b> | You may be placed on a Formal Academic Contract or withdrawn   |
| <b>5</b> | You will receive a WD grade (after 10% of the duration of the course) or a DNC grade (after 80% of the duration of the course) |

**If you are struggling with attendance, we fully encourage you to talk this over as soon as possible with your tutor.**

## **Drugs and Alcohol**

In line with the expectations of many workplaces, Ara has procedures to ensure the health and safety of all learners, staff and visitors, while undertaking Ara activities.

Many learning activities involve high-risk situations where clear thinking, decision-making, and machinery operation need to be conducted safely. These activities cannot be compromised.

You can download the policy from [CPP506 Drugs & Alcohol Policy](#)

## **Artificial Intelligence (AI) Tools**

When submitting work for assessment, you must adhere to Ara Assessment and Academic Misconduct policies and not present AI such as ChatGPT as your own work. Learning Services have resources to help you learn to paraphrase or reference another person's work to avoid academic misconduct.

For more detail please read the [Kā ture me kā tikaka - Policies & Procedures](#) section of this handbook.

## Kā Raki whakahirahira – Important Dates

## Broadcasting standards and professional practice

Professional Practice is a code of behaviour that describes acceptable conduct for you as an individual, and a team member, when you are in class and in the community. Staff members make sure you graduate ready to enter the profession, both in terms of skills and attitude. You will be more successful in the industry if you are aware of acceptable professional standards and can work within constraints.

All courses - radio, journalism, and screen - use the same code of professional conduct. Staff consistently expects the best from you, so that you get the most out of your learning and your internships are fully supported by the media industry.

## NZBS Professional Practice Code

The NZBS Professional Practice Code covers three main areas of behaviour and applies while you are working on any NZBS assignment or activity. If you have any questions, contact your tutor.

## Your obligations and responsibilities to the NZBS

You will:

- Attend all prescribed lectures and group activities on time. If, due to illness or accident, you cannot attend, notify your Course Leader as soon as possible. Lateness is not just a nuisance; it is an indicator of an unsatisfactory attitude and a lack of professional consideration that neither industry nor tutors nor learners on this course appreciate. It will not be tolerated without a genuine reason.
- Respect staff members and visiting lecturers, ensuring behaviour does not interfere with teaching.
- Promote the School's interests and reputation by observing standards of behaviour and appropriate dress code at the school and in the community while on NZBS business.
- Demonstrate personal ethics by showing discretion and respecting confidentiality about information gathered during the course, and while undertaking work experience or part time industry work.
- Use all NZBS equipment according to the rules laid out by each course stream, including immediate reporting to the appropriate staff member of any damage or loss.
- Follow Health and Safety procedures and practices. For more information, contact your course leader. Your After-hours access to the school facilities

means you have extra responsibilities at times when staff members are not available.

Additionally, any work you produce at the NZBS remains the joint property of NZBS and the learner. You must reach an agreement before releasing material into the wider community or for personal gain.

## **Your obligations and responsibilities to your peers, syndicate, group, and class**

You will:

- Participate fully in all required group situations, contributing ideas and skills to support the group's identified goals.
- Share resources and support those learners whose skills are at a different level to your own.
- Give constructive and detailed feedback to group members when appropriate.
- Provide your services to the best of your ability in all group situations and perform all duties and tasks consistent with those services to the highest possible standard.
- Communicate any concerns regarding the group or course in a fair, constructive, and reasonable manner to a peer representative and/or tutor.
- Undertake responsibility for your own learning within a group situation.
- Offer ideas, feedback, and creative solutions to any group problem, taking full part in decision making and showing leadership where required.
- Be reliable and do what you say you are going to do, to the required standard.
- Maintain boundaries between friendship and work, so course work is not affected adversely by personal relationships.
- Follow industry procedures, or procedures agreed to that are specific to your craft stream or streams.

## **Your obligations and responsibilities to yourself**

You will:

- Apply energy, focus, and commitment to each project or assignment undertaken.
- Listen to group and tutor feedback and act on it, showing an ability to learn from mistakes, and continually develop your skill level.
- Take responsibility for your own learning, asking questions and seeking additional knowledge where required.

## Assessing professional practice

You will be formally assessed on your compliance and contribution to the NZBS Code of Professional Practice and will receive a mark for Professional Practice. Tutors are primarily responsible for assessing professional practice but there is some input from peers and a self-assessment component.

## Our Access to Your Work

We may contact you to discuss the right to copy, reproduce, and use your learner work for promotional and education purposes for Ara Institute of Canterbury.

## Shows, Competitions and Exhibitions

The table below lists the main events you will participate in each year. For more information and accurate dates, contact your Faculty Administrator or check with your craft tutor.

The above is not an exhaustive list of unacceptable behaviours. Where appropriate, Ara reserves the right to contact or report to external authorities.

Academic staff have the responsibility to maintain a safe and effective learning environment.

They may ask you to leave the class if your behaviour indicates limited ability to be safe, disturbance to others learning, or puts others at risk.

Ara takes this code of conduct seriously. Your marks, reports, and references may include an assessment of your behaviour, as well as your educational achievement. Serious infringement may lead to probation, suspension, or cancellation of a current enrolment and/or refusal of a future enrolment (see relevant policies). This may be referred to an appropriate external authority e.g., NZ Police

## **Learner Behaviour in class / classroom maintenance**

Both staff and students have a responsibility to ensure this happens

## **Dress code**

There is no written dress code, but you are expected to attend classes dressed in a way which is generally acceptable. However, you're expected to be "dressed for the occasion" when going on a site visit or undertaking a Cooperative Education Project. You may be prevented from going on site visits if the staff member is of the opinion that you're not dressed for the occasion. In specific courses, a "dress code" and standard is required. These will be advised by your tutor and/or Moodle course page.

# Kā Aromatawai – Assessments

## Assessment Information

Course information is available on Moodle. Moodle also contains an assignment brief for each assessment which will show:

The number, type, and due dates for all assessments, including tests and assignments, and will give you details on:

- The weighting of each assessment in your course that contributes to your final grade, if applicable.
- The assessment policy for resits, second results and alternative assessments, if they are different from the policies in this handbook.
- The time frame for getting your marked assessments back from tutors, if they are different from those stated in this handbook.
- The penalties for handing assessments in late, if they are different from those stated in this handbook. These may be different for each course.

If you do not receive this information, talk to the course tutor or Portfolio Manager or Programme Leader.

## Assessment Types

<b>Formative assessment</b>	Verbal and written feedback that takes place throughout classes and the programme.
<b>Summative assessment</b>	Assessments throughout the year that are based on learning outcomes for the course and determine how well you have achieved each outcome. You are given grades and written feedback. These assessments may include practical tests and projects.

The contents of the course work will be explained by the tutor for each course. If at any point your tutor or Programme Leader is concerned about your progress, they will let you know.

## Academic Integrity

Ara requires ākonga to be honest and act with integrity in their learning and assessments.

You are required to:

- present your own original work for assessment
- acknowledge contributions from other sources by using the referencing format required for the programme (failure to do this correctly may be regarded as plagiarism); this includes direct copying, paraphrasing, summarising, and the rearranging of, another person's words or idea/s
- not cheat in tests or examinations
- ensure you follow all instructions and the correct procedures (e.g., no use of mobile phones or personal electronic devices)
- not enter into any agreements with other learners to collude on assignments
- collaborate only as permitted
- not over- or misrepresent the individual contributions of members of any group assignment
- not knowingly help others to cheat
- not present another person's assessment as your own (this includes purchased assessments)
- not act or behave in a way that prevents others from completing their assessments
- keep written and electronic work secure to prevent others from accessing and copying work.

Any exceptions to the above are clearly stated in the information and requirements for the course.

By enrolling at Ara you agree to your work being reviewed by various means to confirm an assessment is your own work. This includes the use of similarity detection software.

Any breaches of academic integrity follow the process set out in the academic integrity procedures. For more detailed information, please refer to the [Academic Integrity Policy](#)

## Submitting Your Work

Your tutors will let you know if they have guidelines for presenting your assessments and how to submit your work. Use a computer to create your assessments.

You may be required to submit your work manually or electronically. If you submit your work electronically, keep a copy until your official results are published at the end of the semester. If you have any questions, contact your tutor.

**Note:** Ara uses as part of its assessment processes electronic plagiarism detection. You will be required to submit assessments for scanning. Electronic copies of assessments must be retained by you until the official results are published after the end of semester or year.

## Quality Assurance

Your assessments and exam scripts may be used for internal and external moderation, monitoring, programme reviews, aegrotats, and the resolution of academic appeals and complaints. This helps Ara meet internal and external academic quality assurance requirements. If your assessments are used this way, before they are used, any information that could reasonably be expected to identify you will be removed.

## The Grade Scale

The various assessments within a course will be combined according to the weightings shown in the course descriptor, and a grade for the course will be assigned from the table shown below. A "C-" grade and above represents a pass for the course.

The following grade scale (G29aa) will be used for all courses on the programmes unless advised otherwise in the course descriptor

## Marked Grades

## Accessing Your Results

Results of individual assessments will be made available to you within ten (10) working days of your assessment due date.

Any results displayed publicly will use unique identifiers such as student ID numbers, not learner names.

**Note:** Staff members are under no obligation to advise you of your final grade for a course. After you have completed all the assessments in a course, we ask that you allow the staff time to complete the marking. At the end of semester staff members are under great pressure to submit final results to Academic Records so that they can be processed and then made available to all learners as soon as possible.

## Academic Transcripts

If you require your results to be printed, visit Central Academic Records (CAR) in A121 or email [academic.records@ara.ac.nz](mailto:academic.records@ara.ac.nz) to request a transcript.

## Access to marked assessments

You are entitled to access to your written work submitted for assessment.

Where assessed work is to be returned, time limits for collection will be advised by the faculty.

You may view copies of your examinations, but these are retained by Ara. Any time or access limitations will be advised by the faculty.

Please note to meet internal and external academic quality assurance requirements, learner assessments and examination scripts may be used for the purposes of:

For all graduation information, including dates, please see [Graduation](#).

## Kā ture me kā tikaka – Policies & Procedures

### Academic Policies

All policies are accessible on the Ara website [Ara Policy Library](#). Ara provides a student advocacy service.

It is well known that people learn better when they work together, and this is encouraged, but when it comes to assessment, collaboration (working together) is not permitted unless it is a formal part of the assignment set by the tutor(s). Each learner is also responsible for making sure his/her work is not able to be copied by others. Sharing or comparing tests, exams and assessments is prohibited and, if detected, will be treated as “**academic misconduct**”.

### Academic Support and Progression

Support is available if you, as a learner, are having difficulty meeting academic standards or you seek guidance, assistance, or support with study related matters.

If you are not achieving satisfactorily, you will receive specifically targeted advice and assistance at an early stage.

Academic staff members will work with you if you are not meeting academic standards to document and implement a plan. This will include identifying and monitoring goals, expected academic progress, timelines, and support.

If satisfactory progress is not made then you will be invited to meet with the Faculty Dean or his / her delegate, who will explain the circumstances, discuss the consequences, and give you the opportunity to present your view of events leading up to the meeting. Depending on the outcome of the meeting, you may have to sign a Formal Academic Contract.

### Formal Academic Contract

If your progress as a learner in a current course is still considered by tutors to not be satisfactory you will be invited to a meeting and advised in writing by the Faculty Dean or delegate.

The Formal Academic Contract will record the deficiencies or concerns, the progress which must be met, any assistance available, the time within which

progress or change must be demonstrated, and the method and criteria by which such progress or change will be measured.

For more information about Academic Support and Progression, see [Academic Support and Progression](#) - scroll down and find **3.3 Formal Academic Contract**.

## Academic Misconduct

Cheating, plagiarism, and other dishonest academic practices have serious consequences in this programme and if you fail to meet academic standards you, as a learner, may be subject to educative processes or penalties.

## Plagiarism

Copying, taking, or using someone else's work or ideas and presenting them as if they were your own original work or thought, without clear acknowledgement of the actual source.

## Use of Artificial Intelligence (AI) Tools

Generative Artificial Intelligence (AI) services such as ChatGPT can be used for learning. When submitting work for assessment, you must adhere to Ara's Assessment and Academic Misconduct policies. In relation to AI, this means;

- you must not present any output from any AI services as your own work in your assessment.
- you must use your own words.
- if you paraphrase or quote from a source such as a textbook, website and AI service, you must reference correctly

If you submit an assessment using content copied directly from an AI service without acknowledgement, it is a form of academic misconduct.

## Cheating

Acting deceitfully or dishonestly to gain academic recognition or an academic result. Examples include copying answers from another person's work, taking useful information secretly into a test or exam, improperly accessing information about questions and/or answers, arranging for someone else to produce an assignment or to sit a test or exam.

## **Dishonest Academic Practice**

Any other act or omission that contravenes Ara academic requirements of a programme or course.

## **Educative Processes**

These are actions designed to assist you, as a learner, in understanding the expected standards and skills needed to succeed and may include:

- a facilitated discussion with an appropriate staff member
- a formal contract with Learning Services or other appropriate staff member for skills development including specific learning outcomes and timeframes.
- additional work may be required.
- a formal written warning may be given, or marks deducted.

## **Penalties**

These are actions designed to deter misconduct and/or deal with the consequences of it in a fair and appropriate way and may include:

- a decision not to mark or assess the work or record a mark / grade.
- formally recorded fail / zero for the work concerned which remains on your academic record.
- cancellation of credit already awarded if the academic misconduct is admitted / established after assessments have been completed and recorded.
- formal notice indicating 'Intentional Plagiarism' (or other misconduct) placed on academic record for a specified period.
- formal written warning.
- probation or suspension from the programme or other penalty.

## **Learner Behaviour Management**

If you are identified as a learner who displays unacceptable behaviour the faculty will monitor your progress and provide support at the earliest stage. This may include referral to Student Support Services to ensure additional support is provided to you.

If you do not respond you may be placed on a behaviour improvement plan. This will include identifying, documenting, implementing, and monitoring goals, expected behavioural progress, timelines, and support. If you do not meet the outcomes outlined in the behaviour management plan, you may be moved to probation.

## Probation

If your behaviour, as a learner, is unacceptable and of concern to staff or other learners, you will be advised of this in writing by the Faculty Dean. This written warning is known as probation.

The written advice must briefly record the deficiencies or concerns, the progress or standards of behaviour which must be met, any assistance available, the time within which progress or change must be demonstrated, and the method and criteria by which such progress or change will be measured.

The progress or change required should be reasonable and the criteria for assessing whether the progress or change has been achieved should be easily understood and capable of being clearly demonstrated.

The written advice must include the warning that failure to make progress or achieve change may lead to suspension and/or cancellation of current enrolment(s) and/or refusal of future enrolment(s).

These requirements are known as the “terms and conditions of probation”.

For more information about probation, see [Probation](#) - scroll down and find **3.4 Probation**.

## Exclusion

An exclusion may apply to one or more specified courses, a whole programme, or all enrolment at Ara. An exclusion may also apply to one or more specified services or facilities.

## Suspension

Suspension is a short-term exclusion and is the formal process by which you, as a learner, are temporarily prohibited from attending classes in one or more courses and/or is refused access to one or more services / facilities provided by Ara. In serious circumstances a Trespass Notice may also be issued.

## Cancellation of Enrolment

Ara may cancel your enrolment as a learner on any of the Education Act (1989) grounds:

- The person is not of good character.
- The person has been guilty of misconduct or a breach of discipline.
- The person is enrolled for full-time instruction in another institution or in a school.
- The person has made insufficient progress in the person's study or training after a reasonable trial at the institution or at another institution.

The decision to cancel or refuse an enrolment may be made only by Ara's Executive Director or nominee.

Failure to meet the terms and conditions of Academic Contract and/or probation may lead to exclusion.

When a cancellation is being considered, the Faculty Dean must invite you to an interview.

## Refusal of Future Enrolment

Any person may, for good reason and on good evidence, be refused enrolment at Ara generally or in a particular programme or course only by Ara's Executive Director or nominee under specific delegation.

Enrolment may be refused on any of the Education Act (1989) grounds.

Failure to meet the terms and conditions of probation may lead to exclusion.

The Faculty Dean must forward a recommendation to Ara's Executive Director that the person's application(s) to enrol be refused. The recommendation must state which of the Education Act (1989) grounds is the basis of the recommendation and must include the supporting evidence.

For more information about Exclusion, including Appeal Rights and Other Rights, see [Exclusion](#) - scroll down and find **3.4 Refusal of Enrolment**.

## Copyright and Ara Learners

Copyright legislation exists to protect copyright owners from unauthorised copying of their work (literary, dramatic, musical, and artistic) and provides them with exclusive rights to how their work is used.

During your study with us we will endeavour to educate you on copyright use, including referencing, approved copying, and proper use of electronic material and downloadable music.

Infringement of copyright regulations may result in civil or criminal prosecution against you, as the learner, and/or Ara. Infringement by you, as a learner, may also be considered academic misconduct and result in penalties.

For more information about Copyright, see [Copyright](#).

## Facilities and resources

## Kā tū whare – Facilities

### Using NZBS Facilities

- The P Block kitchen is on the second floor. It is shared with staff and must be kept clean and tidy. There is a learner only kitchen / common room in TV Block on the ground floor which must also be kept clean and tidy.
- Report any problems with the toilets to your tutor or technician. For example, if they are dirty, faulty, do not have paper, clean towels, or working light bulbs.
- Report any problems with the buildings or facilities to the technicians, so they can maintain them.
- Do not bring bikes into the buildings. There are secure lockups around campus for bikes however always leave them at your own risk and use a second lock.
- All our doors are card entry to NZBS learners only. Do not allow anyone who is not an NZBS learner into the buildings or lend your card to anyone else. Do not prop secure doors open or leave the building doors open.

In general, you cannot use New Zealand Broadcasting School buildings or other facilities for:

- Private purposes.
- Work that is unrelated to your course work or after you are no longer enrolled in a course on campus.

If you need to use the facilities for these reasons, contact the Programme Leader or Portfolio Manager. They must give you direct, specific approval before you can use the facilities. You may be charged a rental fee.

## **After Hours**

**No learner is permitted on the premises after midnight or before 5.30am without specific prior approval.**

On rare occasions you may need to access a building after midnight (e.g., to return camera gear, or to attend to a break-down). If this happens you must contact the on-duty security guard (by phone) to gain access.

## Other Rules around Access

There are specific rules that apply around the use of NZBS School resources and equipment, and these are detailed in this handbook and/or your Moodle course pages.

<b>Safety and Behaviour</b>	All Ara Health and Safety policies must be always complied with. Any access outside normal hours is granted on the strict condition there will be no alcohol, drugs or smoking on the premises.
<b>Accountability</b>	Breaking rules around access to buildings and facilities may result in access privileges being withdrawn for some learners or the entire learner group. Individual learners may also be held financially accountable for the replacement / repair of any equipment, tools or facilities which may be lost while learners are in the building.

### Lockers

There are a limited number of lockers in P Block and TV Block. Should you wish to use a locker you must supply your own lock. By placing your lock on an unused locker, it effectively becomes yours for the duration of the programme. It is recommended you use a combination lock to remove the stress of lost or forgotten keys. Please only 'claim' a locker if you are going to use it daily. At the end of the year, you must remove the lock and take your belongings away.
